

HAWK DANCE FARM 2025 PARTICIPATION AGREEMENT

I wish to support Hawk Dance Farm by becoming a member of their CSA.

I agree to collect my share of the harvest each week within the scheduled time frame. If there is an unforeseeable reason that I cannot come and pick up my share, I can: send someone else in my place to collect my share during the scheduled pick-up time or call and my share will be put into the cooler for me to pick up the next day at the farm. (If we do not get a phone call then your share that week is donated to a food pantry)

Your share will be available starting in late May or early June. A week before pick up begins, members receive an email to announce the starting date.

As a share member I am providing Hawk Dance Farm with the critical funds needed to operate the farm during the 2025 growing season. I agree to share in the risks of agriculture with the farmers, and I understand that although the farmers will aim to supply me with an ample supply of vegetables, there is no guarantee that any **specific vegetable, or quantity, will be distributed in the share.** I will share both the rewards and the risks of the growing season along with the other members and the growers.

The CSA harvest is protected by sustainable and organic practices such as organic soil care, crop rotation, and irrigation.

I understand that I am making a commitment to Hawk Dance Farm.

All memberships are accepted on a first come first served basis. We have a limited number of share memberships available for the 2025 season. **Please let us know which share you are requesting.**
